

New York State Public Health Law 2808

(viii) The operating component of rates shall be adjusted to reflect a per diem add-on amount of eight dollars, trended forward to reflect

applicable inflation factors from two thousand six to two thousand nine

and prospectively thereafter, for each patient who: (A) qualifies under

both the RUG-III impaired cognition and the behavioral problems

categories, or (B) has been diagnosed with Alzheimer's disease or

dementia, is classified in the reduced physical functions A, B or C, or

in behavioral problems A or B categories, and has an activities of daily

living index score of ten or less.

(ix) The operating component of rates shall be adjusted to reflect a

per diem add-on amount of seventeen dollars, trended forward to reflect

applicable inflation factors from two thousand six to two thousand nine

and prospectively thereafter, for each patient whose body mass index is

greater than thirty-five.
