1. Yes \rightarrow Continue to C0200, Repetition of Three Words	
1. Tes v continue to cozoo, hepetition of milee words	_
Brief Interview for Mental Status (BIMS)	
C0200. Repetition of Three Words	
Ask resident: "I am going to say three words for you to remember. Please repeat the words after I have said all three.	
The words are: sock, blue, and bed. Now tell me the three words."	
Enter Code Number of words repeated after first attempt	
0. None	
1. One	
2. Two	
3. Three	
After the resident's first attempt, repeat the words using cues ("sock, something to wear; blue, a color; bed, a piece	
of furniture"). You may repeat the words up to two more times.	
C0300. Temporal Orientation (orientation to year, month, and day)	
Ask resident: "Please tell me what year it is right now."	
Enter Code A. Able to report correct year	
0. Missed by > 5 years or no answer	
1. Missed by 2-5 years	
2. Missed by 1 year	
3. Correct	
Ask resident: "What month are we in right now?"	
Enter Code B. Able to report correct month	
0. Missed by > 1 month or no answer	
1. Missed by 6 days to 1 month	
2. Accurate within 5 days	
Ask resident: "What day of the week is today?"	
Enter Code C. Able to report correct day of the week	
0. Incorrect or no answer	
1. Correct	
C0400. Recall	
Ask resident: "Let's go back to an earlier question. What were those three words that I asked you to repeat?"	
If unable to remember a word, give cue (something to wear; a color; a piece of furniture) for that word.	
Enter Code A. Able to recall "sock"	
0. No - could not recall	
1. Yes, after cueing ("something to wear")	
2. Yes, no cue required	
Enter Code B. Able to recall "blue"	
0. No - could not recall	
1. Yes, after cueing ("a color")	
2. Yes, no cue required	
Enter Code C. Able to recall "bed"	
0. No - could not recall	
1. Yes, after cueing ("a piece of furniture")	
2. Yes, no cue required	
C0500. BIMS Summary Score	
Enter Score Add scores for questions C0200-C0400 and fill in total score (00-15) Enter 99 if the resident was unable to complete the interview

 Behavior of this type occurred 4 to 6 days, but less than daily Behavior of this type occurred daily 			С.	Other behavioral symptoms not directed toward others (e.g., physical symptoms such as hitting or scratching self, pacing, rummaging, public sexual acts, disrobing in public, throwing or smearing food or bodily wastes, or verbal/vocal symptoms like screaming, disruptive sounds)		
E0800. F	Rejection of Care - Pr	esence & Frequency				
Did the resident reject evaluation or care (e.g., bloodwork, taking medications, ADL assistance) that is necessary to achieve the resident's goals for health and well-being? Do not include behaviors that have already been addressed (e.g., by discussion or care planning with the resident or family), and determined to be consistent with resident values, preferences, or goals. Enter Code 0. Behavior not exhibited 1. Behavior of this type occurred 1 to 3 days 2. Behavior of this type occurred 4 to 6 days, but less than daily 3. Behavior of this type occurred daily						
E0900. Wandering - Presence & Frequency						
Enter Code Has the resident wandered? 0. Behavior not exhibited 1. Behavior of this type occurred 1 to 3 days 2. Behavior of this type occurred 4 to 6 days, but less than daily 3. Behavior of this type occurred daily						

Section G Functional Status

G0110. Activities of Daily Living (ADL) Assistance

Refer to the ADL flow chart in the RAI manual to facilitate accurate coding

Instructions for Rule of 3

- When an activity occurs three times at any one given level, code that level.
- When an activity occurs three times at multiple levels, code the most dependent, exceptions are total dependence (4), activity must require full assist every time, and activity did not occur (8), activity must not have occurred at all. Example, three times extensive assistance (3) and three times limited assistance (2), code extensive assistance (3).
- When an activity occurs at various levels, but not three times at any given level, apply the following:
- $^{\circ}$ When there is a combination of full staff performance, and extensive assistance, code extensive assistance.

If none of the above are met, code supervision.

1. ADL Self-Performance

Code for **resident's performance** over all shifts - not including setup. If the ADL activity occurred 3 or more times at various levels of assistance, code the most dependent - except for total dependence, which requires full staff performance every time

Coding:

Activity Occurred 3 or More Times

- 0. Independent no help or staff oversight at any time
- 1. Supervision oversight, encouragement or cueing
- 2. Limited assistance resident highly involved in activity; staff provide guided maneuvering of limbs or other non-weight-bearing assistance
- 3. Extensive assistance resident involved in activity, staff provide weight-bearing support
- 4. Total dependence full staff performance every time during entire 7-day period

Activity Occurred 2 or Fewer Times

7. Activity occurred only once or twice - activity did occur but only once or twice

A. Bed mobility - how resident moves to and from lying position, turns side to side, and

- 8. Activity did not occur activity did not occur or family and/or non-facility staff provided care 100% of the time for that activity over the entire 7-day period
- positions body while in bed or alternate sleep furniture **B. Transfer** how resident moves between surfaces including to or from: bed, chair, wheelchair, standing position (excludes to/from bath/toilet)
- C. Walk in room how resident walks between locations in his/her room

D. Walk in corridor - how resident walks in corridor on unit

- **E.** Locomotion on unit how resident moves between locations in his/her room and adjacent corridor on same floor. If in wheelchair, self-sufficiency once in chair
- F. Locomotion off unit how resident moves to and returns from off-unit locations (e.g., areas set aside for dining, activities or treatments). If facility has only one floor, how resident moves to and from distant areas on the floor. If in wheelchair, self-sufficiency once in chair
- **G. Dressing** how resident puts on, fastens and takes off all items of clothing, including donning/removing a prosthesis or TED hose. Dressing includes putting on and changing pajamas and housedresses
- **H.** Eating how resident eats and drinks, regardless of skill. Do not include eating/drinking during medication pass. Includes intake of nourishment by other means (e.g., tube feeding, total parenteral nutrition, IV fluids administered for nutrition or hydration)
- I. Toilet use how resident uses the toilet room, commode, bedpan, or urinal; transfers on/off toilet; cleanses self after elimination; changes pad; manages ostomy or catheter; and adjusts clothes. Do not include emptying of bedpan, urinal, bedside commode, catheter bag or ostomy bag
- J. Personal hygiene how resident maintains personal hygiene, including combing hair, brushing teeth, shaving, applying makeup, washing/drying face and hands (excludes baths and showers)

2. ADL Support Provided

Code for **most support provided** over all shifts; code regardless of resident's self-performance classification

Coding:

- 0. No setup or physical help from staff
- 1. Setup help only

1.

Self-Performance

- 2. **One** person physical assist
- 3. Two+ persons physical assist
- 8. ADL activity itself **did not occur** or family and/or non-facility staff provided care 100% of the time for that activity over the entire 7-day period

Enter Codes in Boxes

2.

Support

[•] When there is a combination of full staff performance, weight bearing assistance and/or non-weight bearing assistance code limited assistance (2).

r

Section G	Functional Status	5

E. Orthotics/Prosthetics	E. Orthotics/Prosthetics				
Z. None of the above	Z. None of the above				

Section GG Functional Abilities and Goals - Start of SNF PPS Stay or State PDPM

GG0130. Self-Care (If A0310B = 01, the assessment period is days 1 through 3 of the SNF PPS Stay starting with A2400B. If state requires completion with an OBRA assessment, the assessment period is the ARD plus 2 previous days; complete only column 1.)

Code the resident's usual performance at the start of the SNF PPS stay (admission) for each activity using the 6-point scale. If activity was not attempted at the start of the SNF PPS stay (admission), code the reason. Code the resident's end of SNF PPS stay (discharge) goal(s) using the 6-point scale. Use of codes 07, 09, 10, or 88 is permissible to code end of SNF PPS stay (discharge) goal(s).

Coding:

Safety and **Quality of Performance** - If helper assistance is required because resident's performance is unsafe or of poor quality, score according to amount of assistance provided.

Activities may be completed with or without assistive devices.

- 06. Independent Resident completes the activity by him/herself with no assistance from a helper.
- 05. Setup or clean-up assistance Helper sets up or cleans up; resident completes activity. Helper assists only prior to or following the activity.
- 04. **Supervision or touching assistance** Helper provides verbal cues and/or touching/steadying and/or contact guard assistance as resident completes activity. Assistance may be provided throughout the activity or intermittently.
- 03. Partial/moderate assistance Helper does LESS THAN HALF the effort. Helper lifts, holds, or supports trunk or limbs, but provides less than half the effort.
- 02. Substantial/maximal assistance Helper does MORE THAN HALF the effort. Helper lifts or holds trunk or limbs and provides more than half the effort.
- 01. **Dependent** Helper does ALL of the effort. Resident does none of the effort to complete the activity. Or, the assistance of 2 or more helpers is required for the resident to complete the activity.

- 07. Resident refused
- 09. Not applicable Not attempted and the resident did not perform this activity prior to the current illness, exacerbation, or injury.
- 10. Not attempted due to environmental limitations (e.g., lack of equipment, weather constraints)
- 88. Not attempted due to medical condition or safety concerns
